

Peace and Love

AW10 PRESS RELEASE

"Peace and Love" is inspired by the turn of the century romanticism and the rock Goth of the nineties. The collection features necklaces and bracelets that are adorned with gothic crosses, small keys, madonna's, peace signs and doves carrying little precious stones, as well as love symbols, hearts, inscription and messages.

Jewellery that has a meaning! It symbolizes togetherness and carries a universal emotion.

Peace and Love features gorgeous charm bracelets that wrap around the wrists and necklaces. All made in 18kt gold vermeil or sterling silver, available in mouth watering colours and all carrying a special engraved message.
